

Questions

Task3 - Product Filtering automation:

- i) Navigate to "<https://magento.softwaretestingboard.com/>"
- ii) Move to Men's Jacket section (no direct navigation allowed)
- iii) Set these filters (Style: XS, Color: Green, Material: Nylon)
- iv) Now Scrap the data including Product Name, price in PKR, Size, Color and store in excel file

Task4 - Scrap 150 Streaks

The screenshot shows the Product Hunt homepage. At the top, there is a navigation bar with a Product Hunt logo, a search icon, and links for Launches, Products, News, Community, and Advertise. On the right, there are buttons for 'Subscribe' and 'Sign in'. Below the navigation bar, the main heading is 'Top Products Launching Today'. Under this heading, there are two tabs: 'Featured' (selected) and 'All'. A sub-header states: 'For the first 4 hours of the day, we're hiding upvotes to help every product get a chance to catch your interest. [Read more](#)'. The main content area displays five product cards, each with a logo, a title, a short description, and a list of tags. To the right of each card is a vertical stack of three arrows (up, down, and a magnifying glass) for navigation. The products listed are: Life Note, Hue, How Much for Site?, Framate, and ggoo.gl.

Product Name	Description	Tags
Life Note	Journal with the greatest minds in human history	Q 10 • Solo maker • Bootstrapped • Health & Fitness
Hue	Your personable AI assistant	Q 10 • Solo maker • Bootstrapped • Productivity
How Much for Site?	Get true price of your website in minutes	Q 11 • Solo maker • Marketing • Artificial Intelligence
Framate	A workspace for busy photographers	Q 10 • Solo maker • Bootstrapped • Productivity
ggoo.gl	Keep your goo.gl links alive with just one extra 'g'	Q 18 • Web App • Productivity • SaaS

- Navigate to "https://www.producthunt.com/"
- Move to Community -> Streaks
- Scrap the user name, streaks numbers and export into excel file

Task5 - Scrap Samsung Phones

The screenshot shows the Best Buy website homepage. The top navigation bar includes the Best Buy logo, a search bar, and links for Order Status, Blog, Best Buy Business, and Français. Below the navigation bar, there are several promotional banners. The main banner on the left is for the 'Ultimate Laptop Sale', which ends today and offers savings up to \$300 on select laptops. To the right, there is a banner for a \$500 gift card offer on unlocked Google Pixel 9 phones. Below these, there are two smaller banners: one for Logitech G accessories and another for a Summer Clearout on various electronics.

- Navigate to "https://www.bestbuy.ca/en-ca"
- Move to Menu -> Shop -> Cell Phones and Accessories -> Unlocked Phones -> Unlocked Samsung Smartphones
- Select the filter Product Condition -> Brand New
- Scrap all the mobile Name, their link and price (without any \$ or other special characters) and export to CSV
